### INTERN OF THE MONTH

During the summer, Nhu "May" Nguyen '23, Accounting and Financial Management POE, interned with Sisterson & Co., LLP, in Pittsburgh, PA. Last fall, at the encouragement of her POE advisor and through coordination with the Career Development Office, May participated in Accounting Interview Day which allowed her to apply to more than 25 accounting firms simultaneously. "The internship with Sisterson allowed me to practice audit procedures and tax return preparation, which not many accounting firms offer at the same time." May was able to accept the position with Sisterson as a result of financial support from alumni and donors in the form of an award from the Super Internship Fund. While in Pittsburgh, she had the opportunity to attend her first Pirates game and the Picklesburg festival. To read more about May's summer experience and the internship experiences of other Super Interns, check out their blogs at:
