Requirements for Distinction in the POE as determined by the Faculty

All students receiving Distinction in the POE must meet the following minimum criteria, regardless of POE's Home Department.

5. Your integrative senior experience must include one of the following. Which best describes your integrative senior experience? (Please circle)
 - a. An original independent creative project that involves significant academic work, such as laboratory research resulting in a significant report
 - b. A major paper on a well-defined project
 - c. A body of artistic work equivalent to a major exhibition or performance
 - d. A field experience such as student teaching or certain internships that culminates in a significant report
 - e. A senior integrative experience that is comparable to those described above. If you select this answer, please describe your integrative senior experience and indicate how you believe it to be comparable to the experiences listed above:
6. Your project must be presented in a forum open to all interested parties, either on the Juniata campus or elsewhere. In which open forum did you present your project?
7. At least one of your Faculty Sponsors must be from your POE's Home Department. Which of your Faculty sponsors is from your Home Department?

Requirements for distinction as established by the POE's Home Department

Departments may establish further requirements for awarding distinction in the POE, including GPA requirements. Check with your POE's Home Department to ensure that you are also fulfilling these requirements. The Chair of your Home Department will not sign-off on your application for distinction in the POE unless you have fulfilled these additional requirements.

(Departments may wish to modify this form to list any further departmental requirements here, or they may wish to maintain a description of further requirements as a separate document.)

Signatures

The student has met the minimum qualifications for Distinction in the POE established by the Faculty and all further requirements established by the Home Department. The Faculty Sponsors have supervised, evaluated, and judged the final project worthy of distinction in the POE.
