*AmeriCorps VISTA (Volunteers In Service To America) members serve on projects at nonprofit organizations or public agencies designed to bring individuals and communities out of poverty. They focus their efforts to build the organizational, administrative, and financial capacity of organizations that fight illiteracy, improve health services, foster economic development, and otherwise assist low-income communities. About 8,000 VISTAs are placed each year in more than 1,100 projects in low-income communities around the country.*
