**SKILL SETS:** Communication (verbal and written), Interpersonal (relates well to others), Problem Solving/Creativity

*At Olympus, we are focused on improving people’s lives every day. We do this through innovation. As a precision technology leader, we design and deliver innovative solutions in our core business areas: Medical and Surgical Products, Life Science Imaging Systems, Industrial Measurement and Imaging Instruments and Cameras and Audio Products. Our products are used to capture images of our world from the microscopic to the panoramic. They’re instrumental in furthering scientific research, travel inside the human body to help diagnose, treat and prevent illness, and document your life with artistic freedom. Most of all, we’re dedicated to helping people enjoy the continuum of life. Since 1919, Olympus has developed innovative technology solutions that contribute positively to society. Our commitment to customers and our social responsibility are the cornerstone of everything we do.*

The Tyrone Area School District is a public school district located along I-99, between Altoona and State College. The Campus (comprised of approximately 1900 students) is located in the Borough of Tyrone with an Elementary School (Early Childhood - 4th), a Middle School (5-8), and a High School (9-12). TASD offers quality early childhood programs (day care and PreK for 3-year and 4-year olds) and a full range of K-12th grade opportunities. Tyrone Area High School was named a 2015 National Blue Ribbon School for closing the achievement gap.
