Career Day is a one-stop career extravaganza right here on campus! It offers opportunities to expand your Juniata network, practice being professional and get solid career advice.

Register today:

Do you believe that educational opportunities should not be determined by your family’s income or the neighborhood in which you live? Do you believe that all kids can succeed when they get a great education?

If you are interested in learning more, please visit www.teachforamerica.org for info about the application process. Teach for America’s next application deadline is Friday, January 24th.

The JUNIATA SUPER INTERNSHIP ENDOWMENT was established by gifts from several individuals, including Scott O’Neill ’80. The Endowment was created to support students taking advantage of internships in places where students would otherwise prove prohibitive.

The maximum available to award to a single student is $5,000 per year. The money can defray costs associated with housing and/or supplement living expenses. Students wishing to apply to the JUNIATA SUPER INTERNSHIP PROGRAM must have an internship in mind with the strong likelihood of a committed employer.

To apply, please submit: Resume, Transcript, Faculty Recommendation, Job Details/Description, Estimate of Living Expenses, and a 1 Page Essay on “How will this experience advance my future career plans?”

Deadline: Student will submit all required application documents by March 1, 2014 (Note: this is a rolling date). We will consider additional candidates after this date pending funding availability. To download application forms and for more details, please visit: http://www.juniata.edu/services/career/students/internships/super.html

Save the Date!
February’s monthly service day will take place on Saturday, February 22nd. Student volunteers will offer their help to several partner agencies around the Huntingdon community for the day. If you are interested in participating, please contact studcommserv@juniata.edu

BLOOMSBURY

Juniata Awesome Grantwriting (JAG)
Interested in learning how to write grant proposals?

The Community Service Office is presenting a four-session grant writing class. We will have four sessions between January and March. Email Abbey Baird at bairda@juniata.edu to sign up, but please do not sign up unless you plan to attend ALL classes as we will be sharing drafts in a highly cumulative process. Class is limited to 25 seats. (It will probably be taught again next year.) Topics include: the resources at Juniata, finding grant resources and writing the proposal. We are working on establishing a certificate for those who complete ALL FOUR SESSIONS of this course. (Note: course is not in the College curriculum. It is just something experienced grant writers are offering.)
