

Campus Ministry Office

There is always something going on in Campus Ministry! The Campus Ministry Office offers programs, resources, support, and opportunities for spiritual reflection and growth to students, faculty, and staff, including a wide variety of student organizations, opportunities for worship, prayer, and meditation, domestic and international service trips, and interfaith dialogue.

The College Chaplain and the Campus Ministers are trained professionals, both ordained and laypersons, serving the campus community when issues of faith arise or in times of personal crisis. The casual, open-door policy invites students to seek out staff members in times of need, especially when confronting major life changes such as divorce or loss of a loved one, dealing with feelings of guilt, grief, homesickness, fear, or anxiety, questions or uncertainties about faith-related issues, and dealing with illness, surgery or hospitalization.

The Campus Ministry Office is located in the Unity House, along with the Office of Diversity and Inclusion.
