Dear Mr. Walker:

Thank you very much for talking with me yesterday about the vacancy in your Finance Department. You gave me a very good picture of what would be expected of the person who fills this position.

I am very interested in the position you have available and feel that my performance at my summer internship with Anderson Consulting and my B.A. Degree in Accounting with a 3.2 GPA demonstrate my ability to discharge the duties of the position.

The completed application form that you requested is enclosed and a transcript of my college credits is being sent from the Registrar's Office at Juniata College.

I hope that you will consider my application favorably. Please let me know if I may provide you any additional information.

Sincerely,

Ima Desperate
