ENGLISH LANGUAGE PROFICIENCY

English Language Proficiency: Participants must possess sufficient proficiency in the English language to participate in their programs. [22 CFR 62.10(a)(2)] The exchange visitor possesses sufficient proficiency in the English language, as determined by an objective measurement of English language proficiency, successfully to participate in his or her program and to function on a day-to-day basis. A sponsor must verify an applicant's English language proficiency through a recognized English language test, by signed documentation from an academic institution or English language school, or through a documented interview conducted by the sponsor either in-person or by videoconferencing, or by telephone if videoconferencing is not a viable option.

- Option 1: Evidence of citizenship in a country whose official language is English
- Option 2: Evidence of a degree (B.A., B.S., MA, or Ph.D) earned from an English-medium institution of higher education

Applicants must provide a transcript or diploma from an internationally-recognized institution of higher education indicating that a degree program was completed in English. For institutions located outside the U.S., the transcript—or an accompanying letter from the institution's registrar—should confirm English as the primary language of instruction for the degree program completed.

 Option 3: Evidence of minimum acceptable scores on an internationallyrecognized test of English

Applicants must send test results from one of the tests below to Juniata's Center for International Education for verification and certification of oral proficiency in English. Test scores must be from the past two years. Test scores accepted include:

ACTFL OPI (Oral Proficiency Interview)

CPE (Cambridge English: Proficiency)

CAE (Cambridge English: Advanced)

IELTS (International English Language Testing System)

TOEFL iBT (Internet-based Test)

Intermediate High

Level C1

Grade C

6.5 overall band,
minimum 6 speaking

80 cumulative,

- Option 4: A passing proficiency rating by interview with a member of the English as a Second Language Instructional staff
 - J-1 Exchange scholar applicants may demonstrate English oral proficiency through a Language Proficiency Interview (LPI) conducted via Skype with a member of the English as a Second Language Instructional staff. Scholars receive a Language Proficiency Interview score within five (5) business days of completing the interview.
