Exchange Year Study Abroad 1 + 1 Year of Master's Study

Groupe ISA Lille is a French Graduate School in Agriculture and Bio-Engineering. It offers programs in the fields of agriculture, food science, environmental science and ag-economics, both in French and in English. Students can complete their senior year at Juniata as an undergraduate student on exchange at Lille. Students simultaneously start the first year of the Master's degree while on the senior exchange year. Following the exchange year, students can opt to stay on for one more year to complete the Master's in *Sustainable Management of Pollution*.

ISEN Lille is a well-known graduate school of engineering located in the heart of one of the most vibrant cities in France. This school awards the "diplôme d'ingénieur" endorsed by the French accreditation board for engineering (CTI). Students simultaneously start the first year of the Master's degree while on the senior exchange year. Following the exchange year, students can opt to stay on for one more year to complete the Master's in *Electrical Engineering*.

IAU Website

France - IAU College

City: Aix-en-Provence

Language: French, English

Aix-en-Provence is located in the southern region of France. While the city offers access to traditional French culture in an intimate setting, it is still able to maintain the charm and elegance of a large metropolis. Local excursions during both semester and summer programs provide students with an enhanced awareness of Provencal culture while giving them a unique and unparalleled French experience.

Sample Classes:

- Cross-Cultural Studies in Food and Culture
- Contemporary French Identities
- Contemporary France: Society, Politics, and Culture

Study Abroad 101 Info Sessions are held Wednesdays at 4pm @ the Oller Center Patio
