

CONNECT WITH A PEER MENTOR

LESS STRESS, BETTER GRADES

Peer mentors can help you develop a plan and take action to reduce stress, increase productivity and hopefully improve your grades.

SUPPORTS EVERYONE

A peer mentor wants you to be successful. They can connect you to resources and support to help you achieve your goals.

APPROACHABLE AND RELATABLE

Our peer mentors are students too! They understand what being a JC student is and want you to have a great college experience.

BUILDING AN STRONG FOUNDATION

Working with a mentor helps you build skills to be a successful student and professional!

Scan the QR code to complete the request form. Learning Services will match you with a mentor!
