

3-1 Accelerated Dual Degree Business/MBA

OR

Four-Year Business Bachelor's Degree (w/optional 1 year MBA)

The financial advantage:

Save on tuition cost & achieve two degrees at an accelerated pace.

Benefit from extra years' earnings by completing your degree program at least one year sooner than a traditional path and entering the workforce sooner.

The academic advantage:

Benefit from Juniata's renowned ABE department at a top liberal-arts college.

Access to professors with Big-4 consulting experiences and career building opportunities.

Flexible graduate learning: online and in-person.

Dedicated professor that helps students cultivate personal branding—resume writing, online profile, interview preparation, internship/job hunting.

The advantage of experience:

For-credit internship placement.

Study Abroad: Select from international study options on every continent except Antarctica, including business-focused programs in England, Germany, France, Greece, Mexico, Spain, Australia, China, and Japan. Juniata provides you distinctive access to businesses in international contexts.

Once per semester networking dinner with distinguished business alumni, accomplished trustees and business professors to explore career options.

Consideration for "Juniata Associate" positions in your field (Juniata Center for Entrepreneurial leadership, Eagle Fund, Business Department Assistant).

The ability to balance a full co-curricular experience (e.g. participation in clubs, sports, other interests) that is available to all Juniata students.

The financial advantage:

Spread your total tuition cost over 4-6 years (if you plan to pursue a graduate degree).

The academic advantage:

Benefit from Juniata's renowned ABE department at a top liberal-arts college.

Access to professors with Big-4 consulting experiences and career building opportunities.

Dedicated professor that helps students cultivate personal branding—resume writing, online profile, interview preparation, internship / job hunting

Program of Emphasis (POE)—Compared to a traditional major, Juniata's Program of Emphasis in Business is a flexible system in which you structure multiple academic interests, increasing your marketability for careers and graduate school.

The advantage of experience:

For-credit internship placement.

Study Abroad: Select from international study options on every continent except Antarctica, including business-focused programs in England, Germany, France, Greece, Mexico, Spain, Australia, China, and Japan. Juniata provides you distinctive access to businesses in international contexts.

The ability to balance a full co-curricular experience (e.g. participation in clubs, sports, other interests) that is available to all Juniata students.
