

Next Steps for Admitted International Students

Congratulations on your admission to Juniata. Take time to enjoy your acceptance and inform family and friends.

In the coming weeks we want to partner with you to outline important steps to be sure that everything is in place for your enrollment in the spring of 2022. We have compiled a **checklist to guide you in preparation for arrival at Juniata.** Reviewing the checklist will ensure your matriculation to Juniata is smooth. The International Admission Office, and the staff in the Center for International Education are here to assist you with your next steps.

☐ Review Your Matriculation Packet

After your deposit is received and processed, we will send you a Matriculation Packet containing the information necessary to complete the enrollment process. The packet contains orientation information, an academic year calendar, health and housing information, and medical and roommate preference forms. Please complete and return these forms. If you are required to take English for Academic Purposes (EAP) classes at Juniata, be sure to submit your "Statement of Understanding" form as well.

☐ Receive Your I-20

Juniata will issue I-20 forms in. Do not schedule your visa appointment before then, as we cannot guarantee that your I-20 will arrive in time.

☐ Submit All Final Academic Documents (if you have not already)

Make arrangements to send all final secondary school transcripts, certificates, diplomas, graduation certificates, SAT, ACT, TOEFL, IELTS, AP, IB, A Levels/AS Levels and/or external examination results to Juniata when they become available. Graduate students must also submit official college/university transcripts and course descriptions, and a professional course-by-course credential evaluation report if enrolling from a non-U.S. university. **These items must be received before January 10.** Only original documents or certified copies will be accepted.
