## **Art Scholarship Portfolio Requirements**

We look forward to your Art Portfolio review. Please review the details below for specific portfolio requirements for our art scholarship. If you have any questions, please contact Professor Bethany Benson ([benson@juniata.edu](mailto:benson@juniata.edu)).

### **Art Scholarship Portfolio Instructions**

Welcome to this process. We are excited to meet you and look forward to reviewing your portfolio. Submission of your essay and portfolio will be **via Dropbox**; instructions will be sent via email upon registration.

1. Students will be required to present a digital portfolio of **10 artworks**.
  - a. All artworks must be uploaded as individual files; links to websites will not be accepted.
  - b. If the artwork is a website you have designed, please submit screen shots and/or short (5 – 30 second) recordings that highlight specific features of the site
  - c. If submitting film and/or animation files, please limit them to 2-5 minutes per file.
  - d. Please refer to the photography guidelines below for tips on how to get the best results when photographing your artwork for your digital portfolio.
  - e. Please be on the lookout for a second email from Professor Benson outlining specific details for submission.
2. Students must also complete a 500-word narrative explaining, "Why you want to study Art at Juniata College?"
  - a. Essays are due upon portfolio review and should be included with the online portfolio submission.

Please let us know if you have any questions.

Again, we look forward to meeting and hearing you.
