Over his nine years as head coach, Coach Dan Dubois has lead the men's soccer team to achieve two of the best records in Juniata history. A 15-year veteran soccer coach, he led the team to its first ever playoff appearance in 2013. Dubois holds an Advanced Regional Diploma from the NCSAA, and works to create an explosive and exciting style of play. Coach Dubois is a firm believer in the importance of fundamentals to player development and his camp reflects his dedication to these principles.

SOCCER CAMPS

PROGRAM

The Juniata soccer camps will focus on the individual development of players, emphasizing ball control, moves to beat opponents, finishing, and other skills. Players will have time set aside to allow them to use newly learned techniques in competition against other campers in small-sided games. As players develop individual confidence with the ball, we will expand to cover styles and systems of play. This camp will help all players, beginner to advanced, develop skills needed to enjoy and succeed at the camp. Our coaches provide their teams with a wealth of knowledge as head coaches. College players share their knowledge and playing experiences as assistant coaches.
