Get your kids creative with clay!

Located in the Sill Business Incubator at 14th and Moore Streets, the new Ceramics Studio will be the site for a week's worth of hands-on activity. Ceramics Camp is an artistic alternative to traditional kid's camps, where mud and alchemy will engage your child's creativity! Your child will make a mask, pottery, sculpture, and more. Go green this summer and have your child play with clay!

Cost:

\$100 for a.m. session (9 a.m.-12 p.m.)

\$200 for full day session*

*Full-day campers will need to bring a bagged lunch or money to go to Sheetz.

22 campers maximum. So hurry and sign up!
