

I, _____, (print name) and my roommate(s) (up to 7),

_____, _____, _____,

_____, _____, _____,

_____, acknowledge that we wish to participate in the Houses and Apartments Housing Selection process on April 3rd but are unable to attend in person. Therefore, we request that _____ be allowed to choose our housing via proxy should a house or apartment still be available at our selection time. We understand that we should discuss all options with the third party should our first option not be available at our designated selection time, including but not limited to: choosing another space, breaking up our group to fit into another house or apartment, or removing us from the selection process altogether to choose in another selection process later in the month so that they (the third party) can make the best decision for us in our absence.

We fully release and discharge Juniata College and the Office of Campus Life and its employees from all liability in connection with the Houses and Apartments Selection process.
