

JUNIATA COLLEGE QUICK FACTS 2017-2018

Founded in 1876, Juniata is an independent, co-educational college of liberal arts and sciences. Located in the scenic mountains of central Pennsylvania, the beautiful 110-acre main campus is supplemented by the 315-acre Baker-Henry Nature Preserve and Baker Peace Chapel. In addition, a 365-acre Environmental Studies Field Station on nearby Raystown Lake provides one of the most distinctive opportunities in environmental science in the nation.

The College has a strong reputation for excellent academics, personal attention, and state-of-the-art technological resources. Juniata students enjoy small classes, a challenging, flexible curriculum, collaborative student-faculty relationships, countless chances to learn by doing, and a lively campus offering lots to do and great new friends.
