POEs OF ALL NEWLY ENROLLED FIRST-TIME FRESHMEN, Fall 2009 to Fall 2013

The Natural Sciences continue to draw the most freshmen by far. There has been an increase in students who are pursuing social sciences POEs. Over time, POEs in the arts and humanities have remained fairly steady.

Biology remains the most popular POE with incoming freshmen but shows a decline while Environment Science/Studies has grown. The number of exploratory students has also experienced a decline.
