**Hello Everyone!**  
**My Name Is Alexia Maxim**

I hope you are all excited to start your first year here at Juniata College. I know this pandemic has been hard on all of us, but things are changing. Use this as a fresh start to meet new people, expand your knowledge, and take the time to try new things. If you ever have any questions, feel free to ask. I cannot wait to meet you guys!

My favorite thing about Juniata is the community aspect and the people. We provide each other with a competitive academic environment while still finding ways to let loose.

My favorite JC tradition is Dogs & Donuts day where we get to play with dogs and eat donuts in the middle of studying for our finals.

Advice: Find a job on campus, build connections, be nice to everyone & enjoy every moment.
