Colleague Self-Service: Students and advisors use [Colleague Self-Service](#) for course selection and registration. Instructions for using Colleague Self-Service are available on the IT Services website:

- [Using Colleague Self-Service to Search and Register for Courses](#)
- [Viewing Your Advisees](#)
- [Financial Responsibility Agreement](#)

Additional Search Functions: The [public version of the class schedule](#) provides some different search functions in addition to what Self-Service offers. For example, you can search for all courses in a particular course type (Ways of Knowing or Self and The World), rather than only on the individual categories in those areas.

Submitting Forms: There are certain circumstances when students need to submit forms to register, including:

- Course Exception Approval - closed sections; doesn't have pre-requisites or co-requisites; instructor approval required; repeating a course; two courses in time conflict with each other; credit overload; auditing
- Credit by Exam
- Independent Study
- Teaching Assistant
- Undergraduate Enrollment in Graduate Courses

All these forms are available to download from the [Registrar's Office website](#) or can be picked up in the Registrar's Office. The student will complete the forms, get the appropriate signatures, and then drop off the form to the Registrar's Office or email it to registrar@juniata.edu.

Financial Responsibility Sign-Off: Students will ***not*** be able to register until they have completed the required financial responsibility sign-off in Self-Service.

Financial Holds: Students with outstanding balances over a certain amount will not be able to register until they reconcile their accounts. Bursar Lauren Perow will notify students in advance if they fall into this category. If you have advisees in this circumstance, direct them to contact Lauren at perowl@juniata.edu or 814-641-3302.

Advising Notes in Colleague Self-Service: Please be sure to enter advising notes in Self-Service after you meet with each advisee. These are tremendously helpful for future reference by the student, other advisors, and you.
